

GENERAL NOTES

- Supplies are due on the first day of school - "Passport Day" - Tuesday, September 4.
- For earthquake preparedness, students in all grades must bring a letter of reassurance from a parent and a family photo the first day of school. These are to be sealed in a business size envelope with the child's name and room listed on the outside.
- For p.e. classes, students in gr. K-8 must bring a separate pair of "sneakers". These p.e. shoes do not have to be new, but they do have to be clean. Kindergarten students and those who have trouble tying their shoes **must** use Velcro-fastened or elastic-fastened shoes for p.e. class. Please have p.e. shoes labeled and brought to school in a plastic shopping bag with a drawstring.
- Students in grades 6-8 must bring separate p.e. clothes (shorts or sweatpants and t-shirt) labeled and brought to school the first day of school in a plastic shopping bag with a drawstring.
- When brand names (such as Fiskar or Crayola) are noted for certain items, these are highly recommended due to their proven quality/durability.
- Grade 5-8 students need to have their New American Bibles (given out during 4th grade year).
- Luggage-style backpacks with wheels are allowed in grades 4-8 only. Please keep the size of backpacks to a minimum due to lack of storage space.
- Gr. 6 Environmental Education Camp fee will be paid at a later date (approximately \$65).
- Gr. 7 graduation breakfast fee will be paid at a later date (approximately \$25).
